

.ORGANIC Acceptable Use Policy:

Registrants of Registered Names in the .ORGANIC Registry are responsible to ensure that such Registered Names are at all times registered and used in compliance with all applicable national, federal, regional, state and local laws, ordinances and regulations (“Applicable Laws”), including, without limitation, Applicable Laws related to (i) the farming, raising, processing, marketing, labeling and selling of organic foods, and (ii) certification or similar requirements imposed on members of the organic food industry.

In addition to any other rights of Afiliás existing under the RRA between Afiliás and any applicable registrar or otherwise, Afiliás reserves the right to deny or cancel the registration, renewal, or transfer of any Registered Name, or to place any Registered Name on registry lock, hold, or similar status, with respect to any such Registered Name that Afiliás, upon reasonable belief formed after reasonable investigation, deems to be registered or used in a manner that constitutes a violation of the .ORGANIC Acceptable Use Policy.

Further, Registrants in violation of any Applicable Laws may be subject to prosecution or other enforcement of such Applicable Laws by the appropriate authorities.

To report abuse of the .ORGANIC Acceptable Use Policy (AUP), please call the .ORGANIC AUP hotline (24/7/356) at the numbers below. Note: This hotline is for representatives of governments and law enforcement agencies only.

If you are not an official government representative or law enforcement agent please [click here](#) to report abuse.
